Madison Changes New Street Program

**Council Drops \$500,000
Project for \$100,000
Program This Summer**

The Madison city council re-elected its plans for a half-million-dollar street improvement program Tuesday night in favor of a less ambitious and less permanent \$100,000 project.

The council unanimously instructed its consulting engineering firm of Sheppard, Morgan and Schwab to proceed immediately with plans for the lesser project so that bids can be obtained and work started as soon as possible.

At its May 12 meeting, the council also unanimously instructed the engineers to proceed on the \$300,000 program, subject to approval of the state highway division, which would have provided for permanent pavements on most streets of the city.

Mayor Stephen Maers said, however, that there was some hesitancy over dipping into the city's \$2 million reserve, which are earmarked to construct and lease an industrial plant at a qualified firm.

Aldermen Divided

He said the aldermen were divided on continuing the major program but had reached a unanimous decision on the lesser project. It includes curbing and applying oil and gravel to the street surfaces, some of which were damaged in the recent storm sewer project.

The mayor also asked that the engineers estimate the additional cost of paving the accumulated substance on the surface. He said the streets should be in good shape in four or five years, and construction of permanent streets, financed by motor fuel taxes, could be conducted in a later year.

Plans for the permanent street program could not be ready until the end of this year, he added, stating that the "streets are in a deplorable condition and we must do something immediately."

Finance New Plant

"Now we must conserve our finances to bring a plant here," he said. "If we don't have the money, we would have to issue revenue bonds, and profits would not be as large."

Mayor Maers and John Gitchell, corporation counsel, plan to confer with industrialists in Chicago on the possibility of instituting an operation in the Madison area. The city, meanwhile, continues to pay the firm of Delco, Inc., St. Louis municipal corporation, a fee of \$100,000 a year to try to procure a plant here because of the trip, the mayor said he will be unable to attend an open house to be held by the firm.

HORNED MONSTER (insert) that invaded the home of Mr. and Mrs. Roy Thompson, 2020 Edgewood drive, is shown with its captor, Ricky Thompson, and his sister, Jackie. The horned toad is native to deserts and dry regions of the U.S. and Mexico and actually is harmless. It feeds chiefly on insects. The Thompsons believe their six-inch invader may be someone's pet. It was found yesterday on a window ledge in the Thompson's basement. They're keeping it in a coffee can.

Moose Lodge 272 Wins International Citation

Granite City Moose Lodge 272 has won a citation for community service activity Tuesday at Chicago in competition held among the more than 2500 Moose lodges throughout the United States and Canada.

Announcement of the award for outstanding community service work during the first year by the local lodge was made by Earl W. Horton, director of civic affairs for the fraternity, at the 76th annual international convention being held at Chicago.

Horton indicated that official presentation of the award to the lodge, a special travel award designating a certificate of merit, will be made at appropriate ceremonies to be held at the local Moose Home in the near future.

The Granite City lodge also won a citation in 1954.

Area Averages 6 Traffic Accidents a Day

"Traffic accidents in the Quad-Cities area are occurring at a rate of 8.3 a day, an increase of 27% over last year, a five-month compilation by the Press-Record shows.

Severity of the traffic mishaps also is noted with the number of injuries in the crashes, although the Quad-Cities traffic fatality rate is down from the same five-month period a year ago.

Offices Only in Former GC Post Office

**New Headquarters of
School System; Drop
Plan for Classrooms**

Future of the former downtown post office moved into sharper focus Monday night as the Granite City school board made plans to convert it into a general school administrative office building—its headquarters of the school district.

By paying \$9400 to the federal government, the school district will be able to use the building for any purpose, rather than being restricted to classrooms. The payment will be offset by elimination of rent currently being paid for office quarters.

Timing of the move will depend to an extent on negotiations to draw up rough sketches of the new school district and the Tri-City Labor Temple Association, which has been leasing the building from the school district since the fall of 1958.

The initial lease of five years at \$225 a month was followed by a one-year lease to expire in August. Current talks will determine the length of a further extension of the agreement. Time will be needed for alteration and renovation of the post office building.

Revise Drawings

Architects Henry Gabriel and Sylvester Dufresne, previously asked to draw up rough sketches on possible use of the former post office, were instructed Monday night to prepare further drawings eliminating special education classrooms and emphasizing administrative offices, and possibly supply storage. Renovation costs also will be estimated.

Planning also is progressing on a new grade school site. The school district already owns a vacant junior high school site on the corner of 12th and 13th streets.

\$1297 Power Saving
It was announced that Illinois Power Co. electric charges effective May 1 will result in a saving of \$1297 or 6.3% for the school district.

M. D. Henderson, assistant to the Illinois Power service area manager, explained by letter that the rate reduction filing included a provision that only one of the standard voltages will be delivered and at only one location.

Net effect is that at Granite City high school and College junior high, delivery point will be where the incoming line branches to serve various loads; monthly rental facilities beyond this point will be \$43-1.25% of their replacement value. The \$419 saving, based on previous consumption, consists of a \$48.90 saving less \$322 rent.

The YMCA was authorized to use the Emerson grade school playground for some "summer" classes starting this week.

In connection with recently authorized use of school facilities for the park district summer recreational program, School Attorney Maurice Dailey was asked to assemble data on the following:

In the five-month period Jan. 1 through May 31, there were 938 accidents recorded for the Quad-Cities and vicinity by local, county and state authorities. In the same period of 1963 there were 889 accidents.

The 6.1 daily average compares to 4.5 for 1963. The 458 injuries this year average 2.9 per day, and compares to 2.3 in 1963 when 361 injuries were reported for the five months.

In the five-month period Jan. 1 through May 31, there were 938 accidents recorded for the Quad-Cities and vicinity by local, county and state authorities. In the same period of 1963 there were 889 accidents.

A breakdown of this year's traffic statistics shows the number of accidents, injuries and deaths in that order by months:

Granite City school students, they say, appear to be following the national trend to secure additional and better education for themselves at all levels, if the figures released by Superintendent-elect John J. Johnson, are any indication.

City School Superintendent-elect Ronald E. Johnson today announced that registration at all levels has been closed.

Summer school, once a "forced-to-go" proposition, seems to have hardened the more attractive inducements of swimming, tennis, summer jobs or just plain loafing, educators noted.

ON THE WAY to Sunset Hill Cemetery to deliver a burial vault, this truck, owned by Tri-City Burial Vault Co., was struck by a C & N W freight train Tuesday morning. Two men were injured and admitted to St. Elizabeth Hospital. The truck was extensively damaged. The crash occurred at the Route 162 crossing near East 23rd street.

Board To Tour St. Louis County Schools Sunday

Plans were made by the Granite City school board Monday night for the board and administrative staff to visit elementary and junior high schools in St. Louis county designed by the Turner and Hooser architectural firm of St. Louis.

Possibility of visiting school facilities designed by the Gabriel-Dufresne firm of Granite City also has been discussed. The board is preparing to decide which architects to hire for the two new schools and two additions authorized by voters in the May 23 bond election.

Planning also is progressing on a new grade school site. The school district already owns a vacant junior high school site on the corner of 12th and 13th streets.

Port Board Oks Pact For Rail Facilities

**\$250,000 Installation
To Be Operated by ITR;
Work to Start Soon**

A contract agreement with Illinois Terminal railroad, which the railroad will operate all rail facilities in the Tri-City Regional Port District area of which the Rock canal was disclosed by Port District authorities today.

Cmdr. John L. Barron, port manager for the district, said the district will install the rail facilities at a cost of approximately \$250,000.

He said "it is hopeful" that construction work may get under way immediately.

At the same time, Barron told the Press-Record the construction of facilities for "National Marine Service, Inc., a subsidiary of the Granite City Harbor, should start work on an extension of \$800,000 for the first phase of installation. SIU Personnel Certificates Awarded to Nine

Nine representatives of area industries, three of them residents of Granite City, today had received certificates of completion of a 20-week course designed to assist business and industrial firms in the continuing development of middle management personnel. A total of 41 certificates was awarded.

The course was presented by Southwestern Illinois University at the Quad-Cities Edwardsville campus, under the technical and adult education office in cooperation with the university's business division.

According to E. R. Casstevens, SIU's technical and adult education supervisor, the middle management course just completed is the only program of its kind known to exist. It featured 18 specialists in the fields of business and management to conduct sessions devoted to an intensive study of managerial needs of persons in the middle management positions of area industries.

Granite City men who received certificates are James R. Parnley, 2720 Grand avenue, of the Granite City Steel Co.; Carl F. Blumenthal, 1830 Clark avenue, and Stanley D. Young, 1704 Fairfield avenue, both of A. O. Smith Corp.

Promotions at GC Steel For Ossola, Eisenbeis

Joseph P. Ossola has been promoted from production manager of the Granite City Steel Company to assistant divisional superintendent—hot metals, and James L. Eisenbeis, formerly assistant production manager, has moved up to production manager. It was announced today by Lyle F. Gulley, vice president of operations.

Ossola, who lives in Collinsville, has been with Granite City Steel since 1953 and production manager since 1958. He was graduated from the School of Commerce and Finance of St. Louis University in 1950. The hot metals division at Granite City Steel includes the blast furnace plant and open hearth furnace department.

Eisenbeis, who lives in Kirkwood, Mo., started at Granite City Steel in 1959 as a junior industrial engineer, worked as an operations analyst and became assistant production manager in 1963. He is a 1954 graduate of St. Louis University (B.S. in industrial engineering) and a 1958 graduate of Washington University (masters degree in business administration) and was an officer in the Air Force from 1954 to 1957.

GC Council Chairmen Ready to Quit Planning Sessions

Sessions for Granite City council committee chairmen are about to be folded.

The few chairmen present for Monday night's meeting indicated there was not much use to continue with them. The attendance is light and discussions have become brief due to the reluctance to propose new items of business because of the mayor's and the council's rejection of a major portion of them.

Monday night's meeting was attended by only five of the 11 chairmen (some aldermen serve as chairmen of two committees). Two other aldermen also were in attendance.

Present were Finance Chairman Paul Rutledge, Street Chairman G. H. Sternberg, Special Pollution Study Chairman Charles W. Moerlen, Fire Chairman Ford Johnson, and Chairman Samuel Whitner. Mayor David heads the Police and Air Pollution Study committees. Aldermen present who are not chairmen were William McGowan, who attends regularly, and J. D. Bergfeld.

Absent were Walter Nor-

Started by SWU Report

The chairmen have been meeting since the SWU report of several years ago for the chairman's meeting on the SWU report and Monday of each month—an off-night for the city council—in order to make preparations for future council sessions and to discuss new business as well as to swap ideas.

When the chairmen sessions were started several years ago, mayor president at the time, the meetings which were held locally and at restaurants out of town.

The dinner meetings and even the sessions began to taper off as the council decided to abandon the SWU program.

However, the sessions were revived following the April 1963 city election when a number of old-guard aldermen and chairmen were defeated and new faces appeared on the council.

It was decided to hold the chairmen sessions in the council room. Mayor Davis appeared at the first two and has not attended since.

One of the major undertakings of the chairmen was to outline a personnel program for city employees and to set forth duties for a city engineer as well as to assist a special engineer commission in its assignment of recom-

mening motor fuel tax and city engineers.

Hit by Mayor's Veto
With the mayor's veto of the commission's selection of a Granite City engineering firm for the MPT position, the commission was disbanded. The council had given its approval of the selection, but there was not sufficient vote to override the veto.

The mayor's selection of a St. Louis engineering firm to perform MPT duties for the city was approved last week by the council.

The chairmen in recent months have discussed methods of securing liability insurance for the city as well as discussing proposed zone changes, subdivision developments and the need for a maintenance department for city equipment and proposed ordinances and codes.

Monday night's discussion centered on the possibility of calling an unofficial session of the council to review budget proposals for the 1964-65 fiscal year.

The chairmen's meetings themselves are unofficial since the chairmen are not authorized to take any official action.

Until recently, the chairmen's meetings have been attended regularly by eight or nine and a Press-Record reporter.

One chairman commented

Monday night that the only reason he was present that evening was because he read in the Press-Record that the meeting was to be held that evening.

It was one and a half hours after the meeting had started, continuing the sessions until the mayor begins to take an active interest," the chairman commented.

Second Twin Girl Dies Few Hours After Birth

Janet Kay Miller, newly-born twin daughter of Mr. and Mrs. Leslie Miller, 2821 Denver street, died in St. Elizabeth Hospital Monday just a few hours after her twin sister Jean Ann had preceded her in death.

The twins were born at 10:15 p.m. Sunday. Jean Ann died at 6:30 a.m. Monday.

Their father, a University of Illinois student, had returned to

Granite City only recently to work. Mrs. Miller is the former Janet Heely of Granite City.

The infant is survived by her parents, a sister, Kristy Lee Miller, 3, and grandparents Mr. and Mrs. Leroy Miller of Piper City, Ill., and Mr. and Mrs. Fred Heely of Granite City.

2 Crashes Monday At 20th and Delmar

Two collisions at 20th street and Delmar avenue, one involving two autos and the other two autos and a motorcycle—were reported to Granite City police Monday. There were no injuries.

The first mishap involved autos driven by Herbert Osborne, 34, of 2116 Delmar avenue who was going north on Delmar and Ivy Howell, 44, of 2301 Center street, Osborne was charged with fail-

ure to yield right-of-way.

All vehicles in the second crash were going east on 20th. The drivers were Samuel Gage, Rural Route One, on the motorcycle, and Elmo Betts of Alhambra and Charles Shenwell of Troy, operating autos.

Paint in Prospect for 17 GC School Buildings

Aided by three extra painters, the Granite City school district maintenance staff will attempt to carry out a larger than average schedule of painting this summer. Authorization for the extra help was given by the school board Monday night.

The list includes, at Granite City high school, eight rooms, front outdoor woodwork, vocational building lockers, gymnasium exterior woodwork, the art department and varnishing of drafting room cabinets. Tennis backstops will be painted green to reduce glare.

Coolidge junior high—all new rooms, three other rooms, gymnasium western windows and the office area.

Prather junior high—boiler stack, are department, girls' physical education room, varnishing of classroom doors.

Central junior high—gymnasium.

Emerson grade school—all room interiors, and hall, stairway and gym floors.

Prohardt school—room partition and parts of two rooms.

Lake school—classroom walls, Logan—kitchen ceiling and discolored ceiling tile in several areas. Logan annex—west wall at stairway. McKinley—entire building interior.

Marshall—bulleting boards, older building windows and woodwork, and refinishing of interior woodwork. Mitchell—entire building interior except the new addition. Nameoki—the four newest rooms. Niedringhaus—radiators.

Stallings—cafeteria, four classrooms and gym. Washington—a restroom. Webster—cafeteria.

name since they last received a registration notice. Such notification, she said, will save the county clerk's office considerable work and expense in sending out new cards to residents of the newly established precinct.

Precinct Four was created by the board of supervisors by splitting Chouteau township's No. One precinct at the New York Central tracks—the western section of old precinct No. One—becoming precinct No. Four. That section east of the track remains precinct No. One.

Miss Hutz pointed out there will be no new registration necessary, but that persons who have changed addresses should notify the office to facilitate distribution of revised identification cards bearing the new precinct number. Work of sending out new cards will not get under way until the latter part of the month, she said. Mailing of new identification cards to erroneous addresses also creates additional expense in having the undelivered cards returned, Miss Hutz added.

If unable to locate their pink card, the clerk's office explained, such residents may inform the office of an address change by letter, stating both the new and the old address.

Small Child's Cry Scared Burglar Off

The cry of a small child lying in bed apparently was enough to frighten a burglar away from the home of F. E. Crowcroft, 2616 Edison avenue, Monday evening.

Mrs. Crowcroft reported at 8:15 p.m. that while she was watching television, she heard the cries of her youngest child from a rear bedroom.

Upon checking, she found that the screen was pulled half way out of the frame. There was no entry.

Dentist to Open New Offices Here

Dr. John R. Reel, DDS, announced today he will open offices in the Koch building, 1821 Edison avenue, the week of June 15. He will occupy the offices of the late Dr. Joseph M. Koch.

A graduate of the Washington University School of Dentistry in St. Louis, Dr. Reel has been in private practice in Waukegan for the past three years.

He is a native of Harrisburg, Ill., where he attended high school. Dr. Reel received his professional education at Southern Illinois University, Carbondale, returning there to continue his education after serving four years in the armed forces during the Korean conflict.

He is married to the former Kay Bell of Centralia and has one son, Jeffrey.

Granite City police received a report at 10 p.m. Monday that a nude man was seen in the area of 25th street and Grand avenue but they were unable to locate the unclothed one.

County Board Rejects \$10,000 CD Request

The Madison county board of supervisors turned down an additional appropriation of \$10,000 for county's Civil Defense organization during a meeting Monday in Edwardsville that continued into the afternoon.

Joseph Carrillo, CD committee chairman and assistant supervisor from Collinsville township, argued that the additional money was necessary to expand and enlarge the scope of operations of the county CD unit to fulfill state and national requirements, and that the funds are available.

The unit now is operating on a \$14,000 budget. Objections were raised that an emergency situation is required before an additional appropriation can be approved, and that none exists at this time.

During questioning it was brought out that part of the money would be used to pay a full-time secretary, now on part-time, who would be employed 40 hours a week to report storm warnings or other emergencies to area CD directors.

Daytime Storms?
One member caustically asked if all storms can be arranged during the working hours of the secretary, another said it duplicates information available on radio and another insisted that much of the paperwork done by the unit is wasteful. The vote was 25-15 against the added funds, with a few members voting "present."

Despite a petition containing signatures of 117 residents of the Wilshire Manor subdivision, the board approved by a 32-6 vote a recommendation by the county's zoning board of appeals to rezone 42 acres located adjacent to Wilshire Manor and The Country Estates from agricul-

ture to R-3 residential and B-1 business.

Requesting the change were Dorothy N. Buenger, owner, and Charles E. Montell, purchaser. Just one acre is earmarked for business, to include a confectionery or market and beauty and barber shops. Nameoki township Supervisor Harry Briggs and Charles Werner, assistant, were among dissenting voters.

The objectors, represented by the Wilshire Manor Civic Association, said they were not against rezoning the 40 acres for residential purposes but claimed the acre for business would derate the value of their property and upon future growth in the area.

Prevents Delay
George Moran, attorney for the developers, called for immediate approval to prevent delay of the development. He noted that the civic associates could call for a judicial review of the approval.

Special use permits for trailers on lots in Nameoki Gardens were approved for Clyde Walker and Larry Murphy on one lot and for Eldon Rushing on another.

The supervisors also approved a zoning permit for Terry Thwait to operate a supper club on the second floor of a building on Slough road. The building, however, must be modified to meet county and state specifications.

Harold Landolt, board chairman, was authorized to apply for federal planning funds for a survey which may be conducted by the Southwestern Illinois Regional Plan Commission on county building needs. For such studies, the federal government pays two-thirds and the county pays one-third of the cost, including services.

Final Report
Rev. Paul Surbey, chairman of a county citizens commission to study the jail and other building needs, said in final recommendations that the Area Planning Commission would take nine months to a year to prepare a partial report and up to two years for a full report, but Briggs, a member of the citizens group which was dissolved with its report, advised that the commission staff is to be increased and the time required should be lessened.

Briggs proposed that Theodore Milesell, executive director of the planning commission, attend the July meeting to discuss the survey.

A resolution by Berry Harris calling for an investigation of bidding on work and materials for county highways also was turned down by the board. He has been complaining that in previous years the board has received only one bid for materials. Bids by several firms on highway materials were read at Monday's meeting.

Printing Contract

The Troy Tribune received the contract to print minutes of a zoning permit for Terry Thwait to operate a supper club on the second floor of a building on Slough road. The building, however, must be modified to meet county and state specifications.

The board approved purchase of a chip spreader from the E. W. Werner Equipment Co., Carlinville, for \$1800, the lowest of three bids, and authorized advertisement for bids on furniture for the office of the probation officer.

Reports showed 44 patients in the county tuberculosis sanitarium and 56 at the county nursing home as of June 1.

Legion Team Loaded With Players From Two Successful GCHS Clubs

A roster heavy-laden with talent from the last two Granite City high school baseball squads—both highly successful—has been announced for the new American Legion Post 113 team by manager Roy Achenbach.

The 16-man team, first to represent Granite City in the 22nd District for several years, is scheduled to open its season at 5 tonight against Alton's Post 125 at Alton high school.

On the roster are 10 lettermen from the GCHS team which compiled a 24-10 record this spring and won the district and regional tournaments before losing in the sectional final.

eventual state champion Springfield Griffin.

They are: pitcher Pat Harris, catcher Joe Hauptman, first baseman Marty LeVault, second baseman Rich Lee, shortstop Larry Dillard, third baseman outfielder Bob Karandjef, first baseman-outfielder Norm Wilfong and outfielders Gene Bryant, Joe Fanning and Rick Whittell.

Larry Johnson, a varsity first sacker, and Bill O'Neil, sophomore pitcher, are others from this spring's GCHS program on the Legion squad.

Four '68 Graduates The other four team members are graduates of the 1963 high school club which had a 25-8 record and finished second in the state tournament. They are left-handed pitcher Terry Kofahl, second baseman Glenn Hoffman and outfielders Terry French and Bob Ketter. Hoffman plays baseball at Eastern Illinois University.

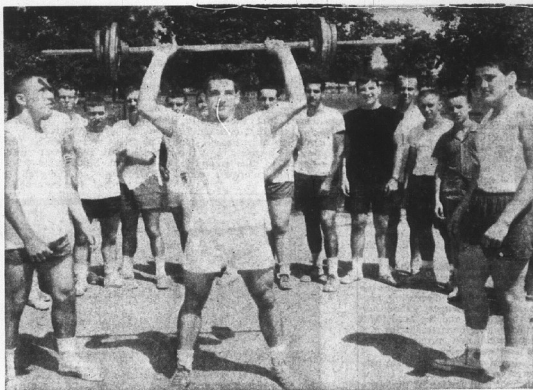

Seven on the team also play with local Inter-City League clubs—Ketter with Sacred Heart and Lee, French, Kofahl, Harris, Hoffman and Dillard with Mercer Funeral Home. The Legion age limit is 19.

With this year's GCHS team, Harris posted a 9-5 won-lost record, struck out 127 and walked 14 in 80 innings and had a 1.31 earned run average. Hauptman led the team in hitting at .329 followed by Bryant at .325, Fanning .319, Harris .303, Lee .298 and Dillard .271. Lee was an all-state selection at third base in the 1963 state tourney.

Lined Up Unsettled Achenbach says he hasn't settled on a starting lineup. Many of the players, he said, are capable of manning several positions. The local team is the last among the 11 teams in the 22nd District to start its schedule.

Alton has a 2-1 record, owning victories over Collinsville, Glen Carbon and Maryville. All those teams plus Granite City and Edwardsville compose The Northern Zone of the district. Southern Zone teams are Belleville, East St. Louis, Mascoutah and Lebanon.

Granite City's second game is Monday at Maryville. The home opener is next Thursday against Collinsville. Granite City's coaching assistant is Dave Whittell, and Joe Summers is the Post 113 athletic officer.

Hour-long sessions are held at 10 and 11 a.m. and 1 and 2 p.m. Monday through Friday behind Niedringhaus school near Wilson Park. Instructor is Jim Morrison, Granite City high school coach.

Lloyd's Three-Hitter Gives Oilers Classic Win

Union Electric managed only three hits off George Lloyd as the Oilers took a 12-3 Classic League fast-pitch softball victory Tuesday night at Wilson Park.

In the other contest, Spengler-Dawes won its opener 9-4 over Granite City Steel Credit Union. League standings: Spengler-Dawes 1-0, Kirchner-Madison 1-0.

Granite City PRESS-RECORD Page 6 Thurs., June 11, 1964

Bowl 2-1, Credit Union 2-1, Oilers 1-2 and Union Electric 0-2. Lloyd struck out four and walked one. All Union's hits came in the third inning as Everett Cottrell and Jim Williams socked triples and Chico Fernandez singled for three runs.

That put Union in front 3-0 but the Oilers went ahead 4-3 in the fourth and scored eight more runs in the next three frames. Tom Feeney had three singles, Bob Ketter a double and Ernie Kern a triple.

Quinn Towery two doubles and a single for the Oilers. Frank Hidge slapped a pair of doubles and a single to spark the Spengler-Dawes triumph. In addition, Jim Donis was on base all four times with two singles and two walks.

Jerry Parnley rapped three singles for Credit Union. Spengler-Dawes rolled up an 8-0 lead in the first four innings before the Oilers broke into the scoring column.

Altwood's Flyers will try to break into the win column Sunday at Wilson Park as they tackle Mercer Funeral Home in the Southwestern Illinois Inter-City Baseball League.

The Flyers have been unsuccessful in seven Inter-City engagements so far. Their losses include a forfeit to defending champion St. Clair Heating.

The Mercers own a 4-3 mark and last Sunday defeated Sacred Heart of Granite City, only team to knock off Collinsville this season.

Meanwhile, the Hearts' and the Pocahontas Braves will meet 4-3 records at Pocahontas. The Hearts' downed the Braves 6-2 here on May 24.

In other games, Maryville visits Collinsville at Fletcher Field and Troy calls on St. Clair at East St. Louis' Jones Park. The league teams have been strengthened in the past two weeks by the addition of many high school and college players.

The Hearts, for example, have added pitcher Randy Thompson of Granite City high school and first sacker Bob Hoffer of East-

St. Louis. The Braves added pitcher Ollie Jacobsmeier gave up 11 hits including a home and single by Rex Buckingham. Jacobsmeier's led throughout the game, clinching the victory with two seventh-inning insurance runs.

Behind Jiffy in the standings are Bellemore Sporting Goods (2-1), Local 16 (1-2), Jacobsmeier's (1-2) and VFW (1-3).

Jiffy Club Notches Third Loop Victory: Jacobsmeier's Wins

Jiffy Car Wash remained as the only unbeaten team in the 35 & Over League Monday night by defeating VFW Post 1300 by 16-4 in slow-pitch softball at Wilson Park.

Pacing the team's third victory were Harold Mainor with a homer, triple and double and Nick Bogovich with three singles. Larry Puett rapped a triple and double.

Jiffy ran up a 4-0 lead but VFW rallied to tie the count at 4-4 in the fifth on singles by Dick Fox, Carl Harrison, Ray Thomas, Nick Petrillo and Howard Champion and Ed Royer's sacrifice fly. Then Jiffy snapped back with four runs in the fifth and eight more in the sixth.

Paul Thompson pitched the win with Petrillo taking the loss. Champion had three singles in three attempts for the losers.

Jacobsmeier's trimmed Local 16 by a 9-6 score as Al Paskus got a double and two singles. Les Thompson, Harry Taylor, John Allen, Stan Serwatka and Bob Burnham contributed two safeties each to the 16-hit attack.

Winning pitcher Ollie Jacobsmeier gave up 11 hits including a home and single by Rex Buckingham. Jacobsmeier's led throughout the game, clinching the victory with two seventh-inning insurance runs.

Behind Jiffy in the standings are Bellemore Sporting Goods (2-1), Local 16 (1-2), Jacobsmeier's (1-2) and VFW (1-3).

Flubber Unavailable, Seek Gym Floor Bids

Seeking of bids for replacement of the Granite City high school gymnasium floor was voted 6-1 by the school board Monday night. Dissenting Board Member Ralph Buske, who opposed the estimated \$20,000 expenditure.

The action calls for preparation of plans for the project and procurement of bids, at which time a final decision will be made on whether to proceed with the replacement plan. However, comments made indicated that there are more than enough votes favoring elimination of pine end-grain flooring and installation of a maple strip surface attached to wooden sleepers.

Timing remains a concern since the work is thought to require six to eight weeks and it is hoped to complete it by the end of the current summer vacation, or shortly thereafter.

Whichever architect is chosen for the current bond issue construction program—a decision is to be reached following a tour of schools Sunday—is to be asked to aid in preparing floor specifications.

William B. Ittner, St. Louis, one of the architects under consideration, has reviewed the gymnasium floor proposal and noted in a letter to new Supt. Russell D. Johnson that the present blocks-on-end floor is laid over a vapor seal on a concrete slab.

New Vapor Seal Suggested
Pointing out that removal of the blocks could damage the vapor seal, Ittner recommended that it be removed and a new membrane installed as the "only way of knowing that you have a tight water cutoff."

"When this has been done, it will be apparent just how much space is available for the new floor construction. There are several types available—each one requiring a different depth. All of them have either cork or rubber to insure a resilient floor."

"As to costs, it is impossible to estimate the work involved in removal of present blocks and vapor seal. We would recommend that this be done by the board with their own labor or if this is not feasible, then hire common labor to do the job."

"When this has been accomplished, the new membrane should be installed—two piles of 15-pound saturated felt, turned up the side walls to slightly above floor level and laid in asphaltic mastic. Cost of this floor replacement plan that will run about five cents a square foot, or \$550 to \$600.

"The selected floor can then be laid. They range in cost from around \$1 to \$12.5 a square foot. All of them employ a resilient cushion—in one case, cork, and the other two, rubber cushions. The above cost includes sanding and finishing."

"You have 11,224 square feet in your room, so the cost would be between \$11,000 and \$14,000, depending upon the type of floor construction selected."

Bleacher Adjustment
Costs other than the \$350-\$600 and \$11,000-\$14,000 estimates are expected to be encountered in removing the existing floor and in adjusting the bleachers to fit. Overall height of the floor may be raised, and there would not be enough room for the bleachers if the floor level is increased to an appreciable degree.

The entire floor in the main room of the Memorial Gymnasium building is to be replaced, rather than just the basketball court, since a uniform floor height is desired.

The existing floor, a decade old, has not worn out. Reasoning behind the replacement is the hope of providing a more resilient surface for athletes.

Retain Coolidge Floor
What about Coolidge Junior high school, which has the same type of gymnasium floor as GCCHS?

Board members said they have no plans to replace the Coolidge floor. They pointed out that it receives less extensive use than the GCCHS gym.

How will the new GCCHS floor be financed?

The answer was not precisely pinpointed, but during the same meeting Monday night another type of "bleacher adjustment" was discussed—a \$17,448 windfall.

The board voted to accept the \$17,448 as settlement for an anti-trust suit brought by Illinois Attorney General William E. Clark in February 1962 against manufacturers of folding bleachers. The payment relates to GCCHS and Coolidge gym bleachers, both a part of the building program of the 1953 school bond issue.

The federal government alleged a price-fixing conspiracy among six bleacher manufacturers beginning in 1954. Clark obtained authorization from Illinois school districts which had purchased bleachers, and filed suit.

34% Refund
Following investigation, hearings and economic analyses, the \$17,448 refund was obtained from the Brunswick Corp. on \$50,428 bleacher purchase made Sept. 21, 1955. Clark said he was pleased to have been of service to the school districts in this unique public undertaking.

Are there any alternatives to the floor replacement plan that would satisfy the board majority?

None was apparent Monday night. Buske proposed special gymnasium shoes to achieve fellow board members' desire for "more bounce to the ounce."

Dr. E. W. Walton, another board member, suggested "flubber," gravity-defying substance which aided basketball players in their room, so the cost would be between \$11,000 and \$14,000, depending upon the type of floor construction selected.

Mitchell Park Group Okays Expenditures

Several appropriations were made Tuesday night at the regular meeting of the Mitchell Park & Athletic Association at Donaldson's Cafe.

Approved were expenditures of \$150 to sponsor a team in the Khouster Senior Baseball League, \$40 for insurance for the Explorer Post 25 rifle team and \$73 for baseballs and scorebooks for the Mitchell Boys Baseball League.

Also approved were the purchase of nine uniforms for the Bantam Division of the boys' league and the formation of two teams for boys aged 7-9 to enter next fall's YMCA soccer program.

The group set Sept. 12 as the date for the annual Fall Festival on the Belle Vista grounds, Route 203, and added 10 new members to the association roster.

William Norris was re-elected president. Other officers named were: Franklin D. Chapman, vice-president; Audell "Harry" Breckner, secretary; Wendell Corey, treasurer, and Edward Young, trustee.

Brooks Held On New Drug Possession Charge

Jack Brooks, 20, of 2131 East 23rd street, was held under \$500 property bond after pleading not guilty to a charge of possession of dangerous drugs Tuesday before Magistrate Gasparovic.

Brooks is one of two defendants to plead guilty last week to burglary at the Veterans of Foreign Wars club in Granite City early last November and was out on bond pending a probation hearing, and he had been under another bond of \$2500 on a previous drug charge.

He was arrested at 7:20 a.m. Monday at the address of Al Stamps, 1924 Joy avenue. Stamps also was brought to the police station for questioning and was released at 10:30 a.m. A hearing for Brooks was set for June 24.

Two other associates were arrested at 10:35 a.m. Monday in the 1900 block of Joy avenue on charges of being drunk and creating a disturbance.

They are Jimmie Ray, 26, of 2504 Denver street, and Luther Davis Fisher, 20, of Mitchell, who pleaded not guilty Tuesday morning. Magistrate Gasparovic set property bonds at \$350 each, and Ray was released. Hearings for the two were set for next Thursday.

Charles Cholevik, 77, Dies of Pneumonia

Charles Cholevik, 77, of 2038 Adams street, died at 7:30 p.m. Tuesday at an Alton hospital where he had been a patient two months. Death was due to bronchial pneumonia.

Mr. Cholevik, a retired coal miner, was a native of Czechoslovakia. He had been a resident of Granite City 20 years and was a member of St. Joseph's Catholic Church. He belonged to the United Mine Workers Local 6156 of Keystone, W. Va.

His wife, Frances, preceded him in death in 1955. He is survived by two sons, Thomas Cholevik, Chicago, and Charles Cholevik, Jr., Madison; two daughters, Mrs. Wayne (Kline) Mosby of Granite City and Mrs. Joseph (Ann) Byk, Chicago; a sister, Mrs. Frances Vreuck, Granite City; 18 grandchildren and 16 great-grandchildren. An obituary notice is given elsewhere in this issue.

Man Pleads Guilty After Auto Accident

John E. Cox, 31, of 1708 Cleveland blvd., pleaded guilty today to driving without a license and failure to make a report of an accident after his auto struck the automobile of Thomas Kula, 2443 Delmar avenue, at 6:55 p.m. Wednesday at 1941 Delmar avenue.

He left the scene and was located later at 18th street and Cleveland blvd. The case was taken under advisement by Magistrate Gasparovic until June 25. Both cars were damaged.

Junk Autos Towed Away

Venice police during the past week have found seven "junk" automobiles that have been abandoned in various parts of the city. Police said most of the vehicles were without licenses and one of them even had no transmission. In all instances police had the cars towed to a garage.

Driver Faces 2 Charges

Charles Courtney, 36, of St. Louis, was arrested during a radar check at 2:35 p.m. Wednesday at 2800 Madison avenue on charges of speeding 47 miles per hour and driving with a suspended license. He was released on \$25 cash bail on the speeding charge and \$1000 property bond on the license charge pending a hearing on June 24.

Minor Fire Damage At A. O. Smith Corp.

Minor damage to roof decking materials resulted at 1:48 p.m. yesterday as a canvas curtain caught fire on the north side of the A. O. Smith Corp. plant.

A plant official said the curtain was used to shield the plant interior from an opening in the wall where a new addition is being tied into the older building. Apparent cause was sparks from a cutting torch being used in construction work.

Employees used plant hoses to extinguish the blaze and were assisted by Granite City firemen. Firemen reported no fire damage from a wastepaper basket fire at 6:22 p.m. yesterday at the office of the Granite City Dental Laboratory, 1314a Niedringhaus avenue.

The blaze was discovered by James Dimitroff, a dental technician, when he returned to get his wrist watch after closing the office.

At 11:05 a.m. today, the firemen went to the home of Darrell Hamilton, 2011 Thirteenth street, where a motor of an attic fan caught fire. Damage was estimated at \$25.

Motor oil in the car of Mrs. Luella Schumacher, O'Fallon, caught fire about 4:30 yesterday at Niedringhaus and Madison avenue. Firemen reported there was no fire damage.

\$4369 Relief Aid to 110 in Venice Township

Relief assistance in Venice township during May totaled \$4369, compared to \$5101 in January, \$4838 in February, \$3197 in March and \$1730 in April, a monthly report showed today.

Number of families aided has varied monthly since January from 78 to 77, 68, 70 and the May figure of 71. Total persons assisted has ranged from 126 in January to 112, 98, 98 and the current 110.

A year ago, the May totals were 74 cases, 130 people and \$4422 expended.

C. E. Blankenship's Mother Dies Tuesday in Tennessee

Mrs. Hattie Blankenship, 74, mother of Clifton E. Blankenship, 2388 Clark avenue, died of cancer Tuesday morning in Tennessee. Funeral services were scheduled in Jellico, Tenn.

Blankenship, safety and training director at A. O. Smith Corp., had left Saturday to visit his mother who had been confined to a Knoxville hospital. Other survivors include a grandson, Lawrence Hopkins, A. O. Smith employee of 2145 Lee avenue.

Li. Moore Recovering

Pulse 121. Paul Moore, 2613 Iowa street, is reported to be in fair condition today at St. Elizabeth hospital. Cause of his illness has not yet been determined according to Mrs. Moore, who said her husband is in good spirits.

Li. Moore entered the hospital Saturday and is undergoing extensive tests.

Under Treatment

Sam Shone, 2733 Sunset drive, entered Barnes Hospital, St. Louis, Wednesday evening and is undergoing treatment for a heart ailment. He has been in ill health for several weeks, resulting from a heart disease diagnosed in March of this year. His condition is reported as fair.

Two Drivers Arrested

Thomas O. Burcham, 27, of 212 Briarwood drive, and Richard A. Long, 21, of 25 Moorland drive, were arrested Wednesday morning at 25th street and Madison avenue on speeding charges as police utilized their radar unit. Hearings were set for June 22.

Side-stepping responsibilities may bring temporary relief, but will never get a man where he wants to go.

Services Held for Stillbirth Infant

Private funeral services were held Monday for Anne Elizabeth Grider, stillbirth at St. Elizabeth

Hospital. The baby was the Louise, and grandparents, Mr. daughter of Mr. and Mrs. Gerald and Mrs. Loven Grider and Mr. L. Grider, 2212 East 23th street, and Mrs. Louis Santagato, of She is survived, in addition to Granite City. Rotarians Hear Pastor Discuss Existentialism

Existentialism was explained and discussed by Rev. Harry Colquhoun, pastor of the First United Presbyterian Church of Madison, in an address to the Madison Rotary club yesterday. He said the concept involves active participation in life rather than a theoretical approach to conduct and philosophy.

Detailed plans were completed for the annual installation banquet of the club at 7:30 p.m. next Wednesday at the Skaggs restaurant, Wood River. Lawrence Palkes will be installed as 1964-65 president, succeeding Lewis Waggoner. Status of a project to provide public restrooms at Third street and Twelfth street recreational grounds was referred to the board of directors for discussion.

Board Unit Completes Fringe Benefit Talks

Negotiations on fringe benefits to be included in a 1964-65 agreement with teachers were virtually completed Tuesday night at a meeting of Granite City school board negotiators, administrators and representatives of American Federation of Teachers Local 743.

Several aspects were referred to the administrative staff and teachers for further discussion and study, in some cases covering a year in length.

Details of the agreement are being assembled in written form for action at a future school board meeting. The salary schedule to be included in the agreement was given board approval last week.

TO BE HONORED AT Springfield, Sister M. Patricia Vickers, daughter of Mrs. Helen J. and the late Dr. E. K. Vickers, will be among the silver jubiliarians honored by the Hospital Sisters on June 17.

Former Local Sister To Be Honored June 17

Sister M. Patricia Vickers, daughter of Mrs. Helen J. Vickers and the late Dr. E. K. Vickers, will be among the silver jubiliarians honored by the Hospital Sisters of the Third Order of St. Francis at their Motherhouse in Springfield, Ill., on Wednesday, June 17.

Sister Patricia entered the community in 1936 and made first vows on June 13, 1939. Prior to her entrance, she completed her nurses' training at St. Luke's Hospital School of Nursing and worked there. She completed her Master's Degree at Catholic University of America, Washington, D. C., and is at present Superior of Sacred Heart Hospital, Eau Claire, Wisconsin.

The Most Reverend William A. O'Connor, D.D., Bishop of Springfield-in-Illinois, will be celebrant of the pontifical Mass in honor of the gold and silver jubiliarians at 10:30 a.m. in St. Francis of Assisi Church.

The Sisters are making a five-day retreat in preparation for the occasion. On Tuesday, June 16, the jubiliarians will receive the gold or silver crown in ceremonies held in the Motherhouse Church.

Assistant Principal Planned At Prather

The position of assistant principal of Prather junior high school was created Monday night by the Granite City school board on the recommendation of Supt. Harold M. Kaiser and Russell D. Johnson, who will become superintendent July 1.

An enrollment of nearly 800 pupils is expected at Prather this fall, and a nine-classroom addition is being built to further increase its capacity. The assistant, not yet selected, will aid Principal Walter Klein in general supervisory duties, including discipline at dances and games and on school buses.

Coolidge Junior high school with a 1650 enrollment this fall will have a principal, assistant principal and a counselor devoting half-time to supervision. Granite City high school, which is expecting 2600 students, will have a principal and two assistant principals.

General administrative staff of the school system is being reduced by one with Dr. Kaiser's departure.

Teacher Resignations

Resignations accepted Monday night included those of William D. Bureky, 2451 St. Clair avenue, high school guidance counselor, who is being placed in charge of student housing at Southwestern Illinois University, Alton; Miss Ann Carey, East St. Louis, a speech correctionist who has been selected as SWIU professor of speech correction; and Mrs. Rebecca Henley, 1332 Niedringhaus avenue, Central Junior high teacher for the edic cable handicapped, who is moving to another community.

Other resignations accepted were those of Miss Sandra Lierman, 2456 Waterman avenue, O'Connor, D.D., Bishop of Springfield-in-Illinois, will be celebrant of the pontifical Mass in honor of the gold and silver jubiliarians at 10:30 a.m. in St. Francis of Assisi Church.

The Sisters are making a five-day retreat in preparation for the occasion. On Tuesday, June 16, the jubiliarians will receive the gold or silver crown in ceremonies held in the Motherhouse Church.

reasons: Miss Patricia Warren, 3255 Edgewood drive, Webster fifth grade instructor; and Mrs. Barbara Adams, secretary in the administrative office, family reasons.

Successor to Miss Mary Blackburn, newly-retired speech and dramatics director at GCHS, has not yet been designated. Newest member of the speech and English staff there is Miss Roma Bradley, Champaign, Ill., who holds a master degree from Indiana University and has taught for one year.

New Faculty Members

Also hired Monday night were Miss Wanda Lee Dunn, East St. Louis, bachelor degree from Southern Illinois University, GCHS business education class; John Franklin Haug, 2415 Logan avenue, SIU bachelor degree and one year of experience; Coolidge Junior high social studies and English; and Miss Paula Lois Finkelstein, Creve Coeur, Mo., bachelor of music education degree from Indiana University, grade school vocal music.

New elementary school teachers, not yet assigned to specific school buildings, are Robert J. Rash, Motherhouse, Mo., bachelor degree from Arkansas State College and eight years of teaching; Mrs. Joyce Ann Shifter, Madison, Mo., bachelor degree from University of Omaha with two years experience; and Mrs. Emulow Boyer, 2207 Iowa street, SIU bachelor degree.

Survey findings and recommendations on administrative salaries were distributed for study and later action. The plan would place all administrative positions on a percentage above 130% of pay indicated by experience and education.

A letter from the University of Illinois student teaching supervisor praised local cooperation with student teachers in the field of girls' physical education.

Next Meeting June 24

Next board meeting was set for Wednesday, June 24. Teacher contract negotiations will be set for Tuesday night of this week, and board members

Brazen Burglar Frightened, Flees

A brazen burglar apparently felt at home in the home of Mr. and Mrs. E. Sexton Daugherty, 2641 Iowa street, about 11:30 p.m. Monday before a warning shout and screams scared him away.

He entered the house through a broken window after a daughter of the Daughertys had just retired. The girl at first thought it was her father, but as he moved down the hall toward a den in which Mrs. Daugherty was watching television, the girl heard the swish of trouser legs, sounding like denim rubbing together, and she knew it was not her father.

She called to her mother and then screamed, and the burglar fled through Mrs. Daugherty's bedroom, brushing items aside and leaving foot marks on the bed. She saw him standing outside and immediately called the police, but he was gone when they arrived. Mrs. Daugherty said nothing was missing.

When your little Indian turns, twists or jumps on the upper deck, be sure he stays UP!

Of course, there's nothing like a bunk bed to save floor space and to get the kiddies off to bed with a minimum of pressure but, and this is a BIG BUT, the old-fashioned type of spring and rails have caused many a distressing situation. The flat steel springs have a tendency to sag so that the children do not get the proper support and do not get a decent night's rest. On bunk beds where slats were used it was even more dangerous because the dislodged slats and the bedding came tumbling down on the child below.

This is a thing of the past with the brand new "Glideaway" slatless bed firmers! These are the New Safety Rails that are used with Safety Platforms to assure a firmer, healthier, safer sleeping foundation.

AT NO more cost, you get safety PLUS . . . yes, plus rigidity that lets you move the bed for cleaning without having to "limbo" under the bed to pick up fallen slats. So get the modern bunk bed outfit and be safe, to be sure!

BRIDAL SHOWER HONORS

MISS GEORGIA CRAWFORD

Miss Georgia Crawford, a mid-supper, was complimented with a surprise shower held in her honor Sunday afternoon, in the home of Mr. and Mrs. George Schaffner, 1606 Elizabeth street. Miss Crawford is to become the bride of Norman Stawar in the near future. Pictures were taken by the guests of the couple.

The basement of the home was decorated with white streamers and bells. The gift table was in white with the bells suspended over the table.

The bride-to-be was assisted in opening her gifts by Miss Kathy Coyte, Miss Virginia Houston, Miss Janet Buske and Miss Mary Roberts, her bridesmaids. Games were played with prizes being awarded for each game. Miss Barbara Stawar presided over the entertainment. A buffet lunch was served by Mrs. Raymond Stawar and Mrs. Schaffner, mother and sister of the groom-to-be, assisted by other friends and relatives.

Miniature wedding cakes, topped with wedding bells and lilies-of-the-valley, were at each place setting.

Those present were Mrs. George Crawford, the bride-to-be's mother, and Mesdames Pamela Maers and son, John, Elma Spodell, Ann Ridenour, Ellen Metcalf, Frieda Ball, Hazel Hanson, Hazel Swartz, Violet Bader, Elsie Vance, Dorothy Leorch, Gladys Zukas, Josephine Knezovich, Lorraine Stawar, Nettie Gnegovsky, Veronica Kula, Mary Foy, Helen Tippett, Catherine Bryan, Doris Falconer, Hilma Withaus, Ruth Vaughn, Juanita Cave, Gertrude

YMCA Summer Art Course Will Start Next Thursday

The YMCA summer art course, including basic beginners art lessons as well as advanced classes, will begin Thursday, June 18 from 7:30 to 9:30 p.m.

Mrs. Wanda Wallace, who holds a B.S. degree in art from SIU will instruct. Mrs. Virginia Bodine, who originally had been scheduled to teach the classes, and her husband, have been asked by the government to participate in the educational student exchange plan and will be leaving soon for Germany.

Mrs. Wallace has been working as art assistant to instructors at Alton SIU. She is an accomplished artist and taught arts and crafts at the Alton YMCA. She and her husband, Marvin, live in Granite City. Mrs. Wallace has won numerous awards for her work in art.

A permanent collection of SIU, she attended elementary and high school in Edwardsville.

Cost of the course is \$18, payable in full or in three monthly payments of \$6. Additional information may be obtained from Bonnie Fuller or Lee Pfaff at the YMCA.

Madison Story Hour Attendance Climbs

Still averaging an attendance well over 100 youngsters each session, the Madison public library story hour continues to provide early summer recreational activity for youngsters of kindergarten age through fourth grade.

Sessions are held each Wednesday and Friday from 1 p.m. to 2 p.m., at the library reading room, 1700 Fifth street. Volunteers from local women's service clubs are serving as story-tellers.

Five more sessions are scheduled with a wind-up party for the youngsters on Friday, June 26.

Similar story hour periods are slated to begin for Venice children on July 10, according to Mrs. Audrey Brown, Venice public library head librarian. Details on hours and days for the four-week program will be announced shortly.

Collinsville Alva St. John, Loren William, Charles Yeach and Robert Williams. Wives of the brothers were in attendance also.

Present at the meeting with entertainment furnished by members were Delray 78s, Mrs. Linda Smith, Mrs. Dorothy Hall, Mrs. Opie Smith and Sylvia Smith were dressed as the Beatles, including wigs and musical instruments. Mrs. Virginia Gali and Mrs. Evelyn Shastest introduced the group and led humorously exaggerated applause.

Lunch was served from tables adorned with baskets of fresh flowers. The decorations and luncheon were prepared by Mrs. Doris and Mrs. June Mowery and Mrs. Veach.

New City Directories Being Delivered

Deliveries are being made of the new 1964 business and residential directories for the Quad-Cities, published by a private concern.

The new directory lists 25,944 names of adults 18 years of age and over in Granite City, Madison, Mitchell and Venice.

Special features of the alphabetical list are the listing of the names of wives and designation of heads of households. Also, there is a listing by streets and numbers with added data on whether the house is owned by the occupant or rented. A separate section lists telephone numbers.

The directory is published by R. L. Polk & Co., St. Louis.

Madison Changes

(Continued from Page 1.)

Park Transportation Co., which recently constructed a \$60,000 terminal building off of Market and State streets. It will be held from 2 to 5 p.m. June 21.

The council referred to its public grounds and buildings committee bids from two contractors on construction of comfort stations at the Third and 12th street ball diamonds.

List Bidders

L. Wolf Co. submitted the low bid of \$10,248 at Third street and \$6774 at 12th street for a total of \$17,022, while M. H. Wolfe & Co. bid \$12,814 for the Third street project and \$8620 for that at 12th street for a total of \$21,434.

While the stations have been in the discussion stage, the mayor had a total cost of \$12,000 to \$15,000 in mind, he said.

A fund for the comfort station includes \$1500 contributed by the Madison Rotary club and the Madison Ladies Democratic club. The Rotarians have pledged \$2000.

The council approved and referred to the state highway division a permit for two 24-foot driveways on Madison avenue at 10th street for a new carwash to be developed by James Perdue.

Library Report

An annual public library report for the year ending April 30 showed a total circulation of 45,912, with 13,353 volumes on hand. 1378 volumes added during the year, 2454 registered borrowers, 15 non-resident adult and 30 non-resident juvenile borrowers. Receipts included a first-of-the-year balance of \$5424, taxes of \$12,288, fees of \$80, fines of \$282, rental of \$20 and gifts of \$35 for a total of \$18,177. Operating expenses were \$12,714, leaving an end-of-the-year balance of \$5463.

Mrs. Jack W. Wilfers, a former member, was appointed to the library board for a three-year term.

Mayor Maerz made the following council committee appointments, with the first named to serve as chairman:

Equipment Reimbursement. The board authorized purchase of additional authorized equipment to be used in the flood institute program; reimbursement will be complete, consisting of 75% federal and state aid 25% from Granite City Steel Co. Two overhead projectors costing a total of \$289 will be obtained from W. Schiller & Co. on its lay plan.

Bids on shop supplies, workmen's compensation insurance, painting supplies, a treasurer bond, construction materials, pipe and pipe fittings, post control and library shelving were opened and referred to the administration for study and recommendations.

The board paid the Listman & Bandy law firm of East St. Louis \$347 for legal work performed on the Harold Kroenke suit, challenging ownership of the Coolidge junior high school site. Appeal of a circuit court ruling against the school district is

North-Venice Junior C. of C. Plans Survey

A community attitude survey in North Venice and West Madison will be started next week by the North Venice Junior Chamber of Commerce as a means of determining the organization's program for seeking public improvements. It was announced today by Roland Lewis, Jaycee president. The chamber unit was organized recently and now has 47 members.

About 30 members will make house-to-house survey, asking householders to fill in a form stating their opinion on the efficiency and status of sewers, playgrounds, fire protection and other municipal services. The form also will contain queries on work facilities. Charles McCasill, 1018 Calhoun street, is survey chairman.

Lewis said today that recent protests at a Venice city council meeting concerning enforcement of the curfew law were made by him as spokesman for the Jaycees and not just as spokesman for a "group of individuals." He said the organization has been objecting to the picking up of large groups of children who are held overnight, thus giving them a police record.

"Actually," Lewis said, "we don't care if they have a curfew or not, but if they do they should enforce it regularly and with proper police methods. We intend to keep objecting until they do."

Paddler Pool Board Hears Team Report

Progress of Paddlers' competitive swim team and registrations for the annual swimming instruction program were discussed last night by Keith Parker, pool manager, during a meeting of the private swim club's directors.

Parker reported 75 youngsters are attending daily practice sessions and 125 have registered for the annual swimming instruction program to start next Monday. Mrs. Mary Ann Roznach, entertainment chairman, announced July 11 as the date set for an annual teenage night program, which this year will feature a "Lil' Abner" theme. An adult night party is being arranged for August.

New members accepted by the board include Mr. and Mrs. Odell Milton and Mr. and Mrs. Edith McKinney. The meeting was held at the pool, 2121 Johnson road, with President Edw. Hoff in charge.

Bids on shop supplies, workmen's compensation insurance, painting supplies, a treasurer bond, construction materials, pipe and pipe fittings, post control and library shelving were opened and referred to the administration for study and recommendations.

Father of Local Woman Dies in St. Louis

Funeral services will be held at 9 a.m. tomorrow for Angelo Valenti of St. Louis, father of Mrs. Catherine Kostoff, 2548 Spaulding avenue. Services will be at St. Liberius Church, St. Louis, with interment at Calvary Cemetery.

Mr. Valenti died Monday at City Hospital, St. Louis. Besides Mrs. Kostoff, he is survived by another daughter, Mrs. Mary Power, and two sons, Jerome and Jack Valenti, all of St. Louis.

June '54 Graduates Plan First Reunion

Plans for the tenth anniversary reunion of the June '54 graduating class of Granite City high school, slated for July 25 at Fischer's Restaurant, Belleville, are being completed under the co-chairmanship of Mrs. Sharon (Lenta) Hillmer and Mrs. Loretta (Boyle) Kerkovich.

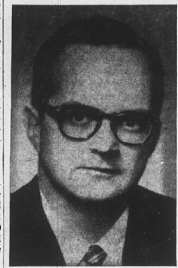

Invitations have been mailed to all 175 graduates with the exception of three—Dale Rice, Wilbert Roger Schone and Jim Tellen. Anyone knowing the current addresses of the three "lost" grads, are asked to contact Mrs. Hillmer at TR 7-4523.

Arrangements for the reunion include a buffet supper scheduled for eight o'clock, followed with floor-show entertainment by class members from 9 to 9:30 p.m. Dancing and general social activities are planned for the remainder of the evening.

Reservations are to be made with Mrs. Hillmer or Mrs. Kerkovich, prior to July 18.

Taylor Desloge Heads UF Industrial Firms Division

UNITED FUND Industrial firms division chairman, Taylor S. Desloge of General Steel Industries. His appointment was announced today.

Added to the growing list of distinguished civic and business leaders, who are spearheading divisions in the 1965 Tri-Cities Area United Fund campaign, is Taylor S. Desloge, secretary-treasurer, General Steel Industries, Inc. His appointment as chairman of the Industrial Firms division was announced today by John R. Handley, campaign vice-chairman.

Desloge joins William F. Hoelscher, Carl E. Mathias, Raymond Henley and William Webb Jr., whose appointments and division assignments were announced last week.

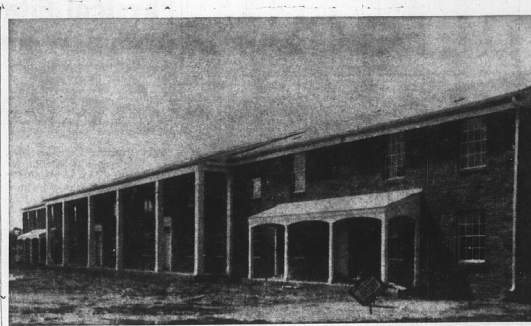

A newcomer to the local United Fund campaign, Desloge, a St. Louisan, is a veteran participant in Greater St. Louis UP drives. He became associated with General Steel Industries at Granite City in 1953, and was elected to his present position in 1961. He is currently on the advisory board of St. John's Mercy hospital, St. Louis county.

The Industrial Firms division solicits gifts from about 344 firms in its five sections, which cover manufacturing, utilities, contractors, transportation and other areas. The division is responsible for the individual sections, who will organize contact teams, have yet to be appointed.

In last year's drive, the Industrial Firms group was responsible for contribution pledges totaling more than \$17,360. Goals for the individual divisions, and the total figure required for the 1965 operation of the United Fund agencies, is expected to be announced in July. The drive will start in October.

Man Faces Two Charges

Jack Teller, 24, of 2418 East 25th street, was arrested at 3:10 a.m. Tuesday at his home on charges of being drunk and creating a disturbance. He was released on \$50 cash bail pending a hearing.

PARKSIDE MANOR apartment house located at the end of Center street which will be ready for occupancy at the end of the month. Construction of an identical apartment house at the site is to be started in about two weeks for Richard Kostoff, developer. About 75% of the initial project is under lease, and applications are being accepted for the second. The \$125,000 structure includes 76 rooms for 16 families. The contractor is the Henry Ross Construction Co.

Missing \$100 Bill

The mystery of a weekend disappearance of a \$100 bill from a Granite City's wallet was cleared this week with the assistance of a service station operator and police.

The \$100 bill was restored to the owner, who told police he would not prosecute the pair that had taken it—his own sons, eight and nine years old.

The \$100-bill-owner reported the theft to police Monday, and an investigating officers were able to unravel the mystery. The boys had taken it to a service station for change. The operator—doubtless its genuineness held it to wait for a closer scrutiny by a bank teller or the boys' parents. The boys had planned a candy spree.

Schools Helping Pay Court Costs On Railroad Taxes

Participation in financing railroad tax objection court costs of the Madison county state's attorney's office was voted Monday night by the Granite City school board.

The school district will provide \$200, in conformity with a schedule drawn up by County School Superintendent, Wilbur R. L. Trimpie and M. Vernon, chairman of the tax committee of area school superintendents.

The \$200 total, charted also would include \$300 each from the Madison, Venice, Highland, Triad, Edwardsville and Collinsville districts, \$350 each from Wood River high school, Worden and Livingston, \$100 from Roxana and \$50 each from Bethalto, East Alton and Wood River elementary schools.

All of the listed district and Alton have funds in escrow that would be distributed upon a court decision or settlement of the objections. All of the litigation involves the question of whether state-state railroad valuations were arrived at on the same basis as local assessments on non-railroad property.

May Get More State Aid

In addition to releasing withheld funds, the case is expected to enable inclusion of "a more realistic figure on assessments" when preparing state financial aid claims, Trimpie has commented.

If the revision amounts to more than 3 1/2% an amended claim for state aid may be submitted for as many years as the court decides upon, Trimpie explains. There is an Aug. 26 deadline on such amendments.

Funds provided by the school districts will be used to finance travel by expert witnesses, summons costs, documentary evidence and other expenses related to the objections, which are viewed as involving more than the normal costs anticipated in the county governmental budget. Assistant State's Attorney Burton Bernard is handling the suit.

Trimpie's office has provided two days of secretarial help, plus other assistance in preparing evidence.

Miss Nancy Rehms Enlists in Marines

"It's not entirely a man's world, even in the U. S. Marine Corps," recruiter Sgt. Charles Bartle, said this week upon enlisting Miss Nancy Ann Rehms into the corps.

Nancy is the daughter of Mr. and Mrs. Henry J. Rehms, 2538 Edwards street, and is a 1964 graduate of Granite City high school.

Standards to be accepted as a Woman Marine are very exacting, and only 2000 women are authorized in the Marine Corps, the recruiter said. Miss Rehms left Tuesday for Marine Corps Recruit Depot, Parris Island, where she will undergo eight weeks of boot training and receive instructions in such subjects as drill, Marine Corps history, customs, and courtesies, administration, typing, correspondence and general office procedures. Upon graduation from boot camp she will be permitted a leave with her family and friends before reporting to her permanent base.

Unlike young men, there is no military obligation on her part, no necessity to serve. But, in the trustiest sense, there is an obligation on the part of every American to serve our nation, to serve it as directly and as proudly as one is able. Only through this sort of dedication, this willingness to serve, will our nation and all that it stands for be preserved," the recruiter explained. Recruiter Bartle's office is in the post office building, East St. Louis.

Wilson Park Pool Guards, Teachers Named for Summer

The staff for the Wilson park swimming pool this summer is about completed, according to Walt Whitaker, pool manager. Life guards on duty are Randy Thompson and Jim Cant, head guards, and Bob Vespas, Jim Fiedler, Larry Smolie, Sharon Kuennemann, Eddie Marshman and Jim Karandjeff.

Instructors for the park district's learn-to-swim program, to start on Monday with two sessions, will be Eddie Marshman, director, Judy Stille, Mary Lou McCarty, Sharon Kuennemann and Richard Judd.

A couple more life guards may also be assigned as instructors, depending upon the size of the enrollment, Whitaker said.

Bath house personnel are Joe Hauptman, Elton Hall and Gary McIlroy for the boys' locker room, and Kay Reinhardt and Gerry Hampton for the girls' locker room. The cashier is Nancy Woodward.

LIFE GUARDS who will be on duty this summer at the Wilson Park swimming pool get a pump into line-condition while cleaning out the pool. They are, left to right—Randy Thompson, head guard, Bob Vespas, Jim Cant, head guard, and Jim Karandjeff. Other members of the life-guard staff are Jim Fiedler, Larry Smolie, Sharon Kuennemann and Eddie Marshman.

38 Area Students To Get Degrees at SWIU Graduation

Thirty-eight Quad-City students are among 63 to receive master's degrees and 346 due for bachelor's degrees at the fifth annual graduation ceremonies to be held this evening by Southwestern Illinois University.

In addition, the university will award 33 two-year certificates in industrial management and two two-year certificates in traffic management.

Principal speaker for the ceremonies will be Rexford G. Tugwell, former governor of Puerto Rico and a member of the late Franklin D. Roosevelt's brain trust. He presently is a consultant in the office of the chairman of the University of Puerto Rico which he formerly headed.

The outdoor ceremonies will begin at 7 p.m. at a campus site along Lewis road a short distance south of its intersection with Pogg road. It is the same location as last year's graduation exercises.

A reception in honor of the June and August graduating classes and their families will be given by SWIU President and Mrs. Delyte W. Morris and the faculty at the commencement with area following the ceremonies.

In case of rain the exercises will be shifted to the Edwards

village junior high school gym and will begin at 8 p.m.

BRAND NEW INSTRUMENTS being unpacked by members of the Granite City Latin Ensemble who will make an extended concert tour of Mexico next month as the guests of the Mexican government. About \$4000 worth of instruments were loaned to the band without charge for the tour. The musicians here are, left to right—Janis Schumacher, Linda Jungels, Barbara Riffled, Robert "Don" Todoroff, director, and John Sabo.

For Mexico Tour

Latin Ensemble Borrows \$4000 in New Instruments

Enthusiasm ran high at Coolidge Junior high school Tuesday afternoon, when musical instruments valued at over \$4000 arrived for use of the Granite City Latin American Ensemble on its 3000-mile tour of Mexico next month.

Loaned by the J. G. Jenkins Music Co., Decatur, and the Farmer Music Co., Chicago, the instruments were secured through the efforts of Robert McDowell, president of the Ludwig Music Co., St. Louis. Neither nationally-known music firms making the gift loans are represented in this area.

McDowell's interest in the local student-musicians and their director, Robert D. Todoroff, began two years ago, when he volunteered to obtain instruments for the groups' initial and highly successful venture south of the border.

During the one-month tour of 12 Mexican states, the 40 Granite Cityans that will include the same 21 youngsters who made the trip in August 1962, will be guests of the government of

Mexico. Travel will be by private, first class rail coach, with accommodations, meals and sightseeing tours arranged at each stop.

The group is to leave Granite City on the afternoon of July 24 and will arrive at Nuevo Laredo on the Mexican border July 25, returning home on August 24. A number of concerts are scheduled.

Graduates With Honors At St. Francis College

Miss Leona Kowalski, daughter of Mr. and Mrs. Edward Kowalski, 907 Iowa street, Madison, recently was graduated from the College of St. Francis, Joliet, with a bachelor of arts degree in English.

She was student government president in her senior year and graduated cum laude.

She also was elected to "Who's Who Among Students of American Colleges and Universities," Delta Epsilon Sigma, a national scholastic honor society, and Lambda Iota Tau, a national honor society for students of English and foreign languages.

Beginner Art Classes To Start on Monday

A summer workshop course in Art 3106, introduction to oil painting, will be offered by the University of Illinois extension division to be held daily for two weeks starting Monday at Clark Junior high school, East St. Louis.

The group is to leave Granite City on the afternoon of July 24 and will arrive at Nuevo Laredo on the Mexican border July 25, returning home on August 24. A number of concerts are scheduled.

Girl Becomes 1000th YMCA Youth Member

Cheryl Gertsch, daughter of Mr. and Mrs. Leonard Gertsch, 1614 Garfield avenue, this week became the 1000th member of youth department of the YMCA.

The nine-year-old girl received a "Y" T-shirt Tuesday afternoon when she was signed as a member of the minnow swimming instruction class.

By becoming a member, she availed herself of numerous opportunities for summer recreation and learning for children.

In addition to swimming instruction on nine skill levels, the "Y" offers programs in judo, gym activities, handicrafts, nature study, baton, art and a variety of other areas. Registrations are being taken through Saturday for the classes which began this week.

DOWNSTATE FISHERMAN'S GUIDE

by C. A. FRAZER

Catch reports on southern Illinois waters have declined for the third straight week, indicating warmer water temperatures and possibly a change in the type of fishermen.

Now that schools are out there are more casual fishermen, of all ages and degrees of experience, plugging the lakes or dunking worms and minnows. The serious fishermen, who spend all winter waiting for the spring warm-up of the waters, have largely retired to mysterious farm ponds and out-of-the-way fishing holes where they will while away the summer months waiting for the dip in temperature that heralds a brief but eventual flurry of activity in early fall.

This is the season of the isolated catches of large fish such as the 8 1/2-pound bass caught by a Harrisburg banker on a surface lure in a private pond near that city; but the 6 1/2-pound bass caught by Willard Brewer of Centralia in Raccoon Lake. The situation is well summed up by the report from Lake of Egypt, "fishing is spotty with no ap-

parent pattern for the good catches." Bluegill continue to offer the most meat in the pan for hours spent on the water but even these delightful panfish have become fussy about when and where they take a worm, cricket or lively roach. H. O. May of West Frankfort caught 40, however, on fly rod lures at Little Grassy Lake and good catches were reported at Devil's Kitchen and Lake of Egypt.

Bass fishermen at Devil's Kitchen are doing their best work with surface lures, Virgil Coker of Overland, Mo., taking four weighing between four and five pounds. At Little Grassy, just to prove the fallacy of finding a pattern, the largest fish of the week, a 5 1/2-pounder caught by Robert Smith of Cahokia, was trapped by a deep running jig and spoon combination while two men from near Harrisburg used plastic worms in the Harrisburg Reservoir to catch three that totaled 13 pounds.

Opening of a gate in the Ohio River dam at Golconda has temporarily allowed fishing there. Crappie fishing was universally described as "poor" but jug fishermen are getting their floats ready for start of the channel catfish season which usually comes about the time other fish begin their summer sulks.

Announce Son's Arrival

Oscar R. Jones, 2441 Dewey avenue, has received word from his son and daughter-in-law, Mr. and Mrs. James L. Jones of Lawton, Okla., that a son, their first child arrived Saturday morning at the Port Hill Okla., hospital. The baby, named James Leonard Jr., weighed eight pounds. The mother is the former Miss Donna Achenbach of 2410 Sheridan avenue. The father is stationed at Fort Sill, Okla.

FRISKY AS IT CAN BE... FINE A BUY AS YOU CAN GET (even finer now!)

Trade 'N' Travel Time is running out at your Chevrolet dealer's. This is about your last chance to get in a whole summerful of fun with a beautiful buy like a Chevelle Malibu wagon.

Allow us to point out some of its less obvious pleasures. It has curved side windows—not just for looks, but to give you more shoulder room. It has 86 cu. ft. of cargo space, so you can go on vacation with everything but the kitchen sink if you have to. It has a Magic-Mirror acrylic lacquer finish for protection against the sun, road tar and chipping. It has those self-cleaning rocker panels beneath the

Wheel Tax Drive to Start in GC Monday

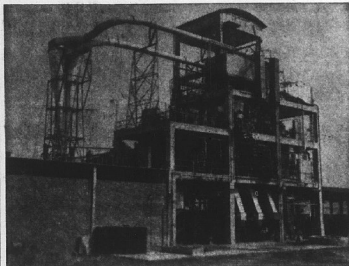

Granite City police will begin a drive Monday to pick up all motorists driving cars for which they have failed to purchase wheel tax stickers.

Under orders from Police Chief Raymond Willardt, arresting officers will require all violators to post \$25 cash bail pending disposition of the cases. Willardt said that failure to purchase and display wheel tax stickers constitutes violation of a city ordinance and that a \$25 bail is required by law in such instances.

The drive was delayed from last week until next Monday to provide time for ample warning that the heavy bail penalty would be inflicted. The city auto licenses cost \$3. They are available in the city hall office of the city clerk. The hours are 8:30 a.m. to 3 p.m. weekdays and 8:30 a.m. until noon on Saturday.

Slight Drop in Relief Cases at Nameoki Twp.

A drop of one relief case during May was reported Friday for Nameoki township at the office of Supervisor Harry Briggs. During May, there were 36 cases with 80 persons and costs of \$4150, compared to April totals of 37 cases with 93 individuals and \$3238 costs. Relief costs during the current fiscal year amounted to \$11,201 for the three-month period, compared to \$12,523 for the same period in 1963. The relief totals for May 1963 were 40 cases with 120 persons and costs of \$4113.

Venice to Get 11 More Street Lights

Illinois Power Co. has been authorized to install 11 new mercury vapor street lights at Venice intersections.

New lights will be installed just south of the Merchants Bridge approach over Klein street, just north of the same location on Klein street, at Weaver and Market streets, Market and Merceda streets, Brown and Klein streets, sixth and Lincoln avenue, adjacent to 1230 Robin street, Klein street at Circle drive, adjacent to 1241 Klein street, Ashbrook avenue between Second and Third streets, and on Hampden avenue at the alley between Third and Fourth streets.

June 20 Is Deadline For Fireworks Permits

June 20 is the last day of any group of three or more persons living in unincorporated areas of the county to apply for a fireworks permit for a Fourth of July display. A permit may be obtained from Miss Eulalia Hotz, Madison county clerk. Applicants must designate three responsible persons to be in charge of the display, and the chairman of the county board of supervisors will designate one of them to supervise the display. State law requires that applications be made at least 15 days prior to the display.

Slight McKinley Bridge Traffic Slump Continues

Traffic over the McKinley Bridge continues in a slump, compared to the peak fiscal year of 1962-63.

Latest monthly report, for May, shows 410,186 crossings, compared to 424,753 a year ago, 418,606 in May 1962, 355,643 in May 1961, 350,559 in May 1960 and 329,739 in May 1959.

Through the first eight months of 1963-64, the tally is 3,168,301. This is below the 3,220,619 recorded in the first two-thirds of the previous year but tops the 3,067,252 in October 1961-May 1962. Annual totals in the past two years were 4,871,748 (1962-63) and 4,742,868.

A breakdown for May 1964 shows 96,732 vehicles in the first week, 95,444 in the second week, 96,627 in the third week, 96,526 in the fourth week and only 24,837 during the last three days, which included the Memorial Day holiday.

Daily average for the past month was 13,231, exceeded during the current fiscal year only in the fourth week and only by the 13,450 average in April.

Urges Better Storage Of Municipal Records

Installation of new storage quarters for city documents and records has been recommended to Venice authorities by Harry E. Hartman, city attorney, who now is in the process of revising the Venice city code.

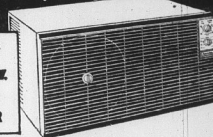

Complete revision of all ordinances, municipal records and documents will be made. Outdated ordinances will be eliminated and other regulatory measures will be brought up to date. Hartman has told city authorities that moisture-proof facilities for storage of records, particularly old original documents, should be installed. The recommendation has been made at a time the city is making tentative plans for a bond issue that would include renovation of the city hall. Plans for storage facilities could be included in such remodeling.

The Venice city council has approved a claim for \$847 for Hartman as first payment on work already performed in revising the code.

Office Ransacked

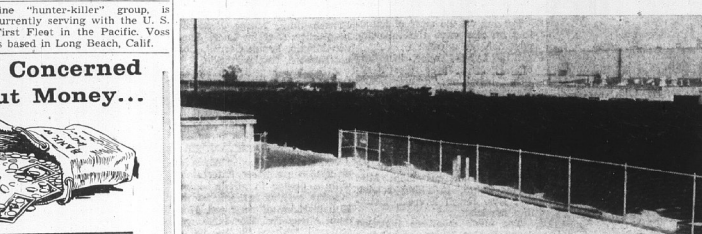

The office of the Air Reduction Co. plant at Venice was broken into during the weekend and a filing cabinet and desk drawer ransacked, according to a report made Monday to Venice police. Investigating officers said the burglar apparently was after money only as other items in the office such as adding machines and a typewriter were undisturbed. The office had been left unlocked, the report said.

WORK PROGRESSES on the new plant construction that will provide an additional 40,000 square feet of space to present facilities of A. O. Smith Corp., permitting a 15-20% increase in production and the hiring of 100 to 200 more workers. The plant will handle a large increase in production of 1965 Chevrolet frames since General Motors has discontinued frame production at its Flint, Mich. plant.

BACKLOG OF AUTO frames fills part of the parking lot at A. O. Smith Corp. as the plant nears completion of its production of 1964 models. Output of this year's models is scheduled to be completed June 26. Conversion of one line to production of new models already is under way. New plant facilities will help take care of the storage problem when work is complete. A new addition will add 40,000 square feet of space to present plant facilities.

Attorney General Releases Eight Legal Opinions

A county board of supervisors which plans to do any remodeling of a county courthouse must employ a licensed architect to prepare the plans if the proposed improvement will cost \$10,000 or more and if structural changes are involved, according to a ruling issued at Springfield by Illinois Attorney General William G. Clark.

The ruling was among a series of decisions made by the attorney general's office, covering a wide field of requests for interpretation of the laws. Among these was the ruling that a county coroner has the power to make an arrest for violation of the Uniform Traffic Act committed in his presence. The decision was made for Henry county.

A child who is the subject of a paternity action can be held by a court to be a dependent child only during the pendency of the action, according to another ruling in behalf of Adams county. In another decision, issued for DuPage county, the attorney general held that a prosecutor will have to proceed against a defendant, acquitted by reason of insanity at the time of commission of a crime, under the Mental Health Code if "the demeanor and appearance of the defendant appear to warrant it."

Other decisions:

Pay For Ballot Counting
Election judges who will count representative ballots at next November's election will draw pay at the rate of \$20 per day until the count is completed.

When a municipality has been legally dissolved, its accumulated motor fuel tax allocation in the state treasury should be allocated proportionately to the eligible municipalities of the state.

A judge of the circuit court can resign effective upon a future date specified in his resignation and serve as a judge until that date is reached.

A professional bondman who advances 10% of the bond fixed by a court to an accused person is not liable for the full amount of the bond in event it is forfeited.

New Ground-Level Children's Department Opens at Granite City Public Library

BUSY READING TABLE in the newly remodeled ground floor quarters for the children's department at the Granite City public library. The youngsters at the scaled-down table are—(foreground) Sherrie Stengel, 2011 Grand avenue, a sixth grader at McKinley school, and left to right—

Karen Graham, 2253 Benton street, a third grader at Emerson school; Rosemarie Boyd, 2231 Benton street, a fourth grader at Emerson, and Beverly Gehling, 2250 Benton street, a seventh grader at St. Joseph's school.

JUST HER SIZE is the corner reading table picked by five-year-old Lynn Diak, daughter of Mr. and Mrs. George Diak, 3023 Iowa street. The young lady is virtually surrounded by books from which she can make her selection.

All of the children's books have been moved from the main room of the library to the new ground-level quarters of the children's department. The area formerly was a little-used auditorium. The stage has been removed.

Sewage Treatment Facilities for GC Steel

OBVIOUS INTERSECTION of a city sewer line and the new 66-inch sewer for Granite City Steel Co. along Omaha street was solved with the installation of a manhole. Old

vacant houses along Omaha street were razed for the installation of the mill's sanitary sewer system which is being constructed for sewage treatment at Horseshoe Lake.

DREDGINGS ARE COVERED WITH SLAG at Horseshoe Lake where settling basins are being built as a part of Granite City Steel Company's own sewage treatment system. The slag—a left-over material in the steel plant's operation—is being utilized extensively in building the basin walls. The operation of the system is expected to give major relief to the city's sewer system.

CLOSEUP VIEW of the sewage settling basin walls under construction in Horseshoe Lake for Granite City Steel Company's sewage treatment system shows a bulldozer at work

virtually in the middle of the lake. The basin walls also are used as roadways for trucks hauling the slag fill material to the site. The total length of the walls is three miles.

ORDINANCE No. 2140
AN ORDINANCE AUTHORIZ-
ING THE ERECTION, OP-
ERATION AND MAINTENANCE
OF TRAFFIC SIGNALS

ON 20th
STREET IN GRANITE CITY,
ILLINOIS.

WHEREAS Granite City Steel
Company operates a parking lot
for its employees on the North
side of 20th Street near the in-
tersection of 20th Street and
Nash Street in the City of Gran-
ite City, Illinois; and

WHEREAS, an increase of
traffic flow to and upon said
20th Street at or near the Gran-
ite City Steel Company plant has
produced traffic congestion on
20th Street and is a hazard for
pedestrians crossing at that par-
ticular point; and

WHEREAS, it is in the best
interest of the City of Granite
City, Illinois, and of the health,
safety and welfare of its citizens
to provide for the alleviation of
congestion and regulation of
traffic on 20th Street at the
Nash Street entrance-way to
Granite City Steel Company and
its parking lot located on the
North side of 20th Street.

NOW, THEREFORE, BE IT
ORDAINED BY THE CITY
COUNCIL OF THE CITY OF
GRANITE CITY, ILLINOIS:

Section 1: That Granite City
Steel Company is hereby granted
permission and authority to
install, maintain and operate at
its own expense an electric traf-
fic signal device of the type and
specification and at the locations

the pedestrian entrance to its
parking lot on the North side
of 20th Street and at the pees-
trian entrance to its plant on the
South side of 20th Street, all as
more particularly indicated and
located on the drawings attached
hereto and incorporated herein
by reference.

Section 2: That said corpora-
tion may operate said traffic sig-
nals manually or automatically
at such time as the same may be
necessary to control traffic on
20th Street and Nash Street for
the benefit of workmen and em-
ployees, who, as pedestrians,
cross 20th Street at the en-
trance-way to said plant and
plant parking lot across from
the plant.

Section 3: That said corpora-
tion is granted the further right
and authority to install traffic
control devices and to operate
said manually or electrically
controlled devices for the purpose
of designating pedestrian cross-
ing points at the point of en-
trance to the main plant and
parking lot near the intersection
of 20th Street and Nash Street.

Section 4: That this Ordinance
be effective immediately upon
passage thereof.

AN ORDINANCE ESTABLISH-
ING TRAFFIC CONTROLS
AND PENALTIES FOR THE VIOLATION
THEREOF

BE IT ORDAINED BY THE
CITY COUNCIL OF THE
CITY OF GRANITE CITY,
ILLINOIS, as follows:

Section 1: It is hereby de-
clared that a speed limit zone of
miles per hour is hereby cre-
ated for both east and west
bound traffic on Terminal Ave-
nue in the area from the inter-
section of Cardinal Avenue with
Terminal Avenue, to the inter-
section of Terminal Avenue and
Marvillie Road; and for both
east and west bound traffic on
Victory Drive in the area from
the intersection of Nankooki
Road with Victory Drive to the
intersection of Cardinal Avenue
with Victory Drive.

Section 2: The Superintend-
ent of Streets is hereby author-
ized and directed to post ap-
propriate signs along and upon
the said streets for the purpose
of enforcing this Ordinance.

E. G. Schmitt and C. E.
Townsend, Quad-Cities area
members of the Illinois State
Chamber of Commerce Econo-
mic Development Committee, were
in Chicago Tuesday for a meet-
ing of the committee.

Further staff research on Il-
linois recreation facilities was
authorized after a preliminary
study had shown Illinois is far
down the list of states in num-
ber of acres of recreation area
per capita. Among midwestern
states, Illinois was low with
13.65 acres per 1000 population,
and it ranged as high as 836
acres in Wisconsin.

The committee also recom-
mended opposition to use of gen-
eral obligation bonds for indus-
trial purposes in Illinois, but
took no action on use of munic-
ipal revenue bonds pending a
ruling on the law's constitution-
ality by the Supreme Court, ex-
pected this year.

However, the committee urged
support of federal legislation
that would deny as a business
expense any payments for leases
on buildings financed by munic-
ipal revenue bonds. It was felt
that such tax exempt financing was
unfair competition to private en-
terprise, as well as harmful to
tax-supported agencies. While
there was opposition to the me-
asure, it carried about three-to-
one.

**GOP Committeemen
To Meet at YMCA**

Granite City Republican pre-
dict committee members have sched-
uled a business meeting for 7
p.m. Monday at the YMCA. It
was announced today by City
Chairman Luther C. Rudder.

A social evening will follow
the business session at 8 p.m.
when committeemen and women
will be joined by members of
their families for entertainment
by a singing group composed of
young Granite Cityans, who have
adopted the title "The Percy
Peppers." Members of the group
are Carol Schmidt, Paula and

on the left side in a collision
with a car driven by Steve Eck,
Edwardsville, at 2:15 p.m. Tues-
day. The accident occurred on
Highway 66 as Garofolo was hit
by Eck's car and was hit by his
other car, according to a report to
Madison police.

Autos Collide, Damaged

Damage to cars driven by
James L. Skaggs, 143 Second

Suspension Notices Sent to Non-Voters

Registered voters who have failed to vote in the past four years at a primary or general county-wide election are receiving notice of suspension from the county clerk's office as provided in the election laws of Illinois. Miss Eulalia Hotz, county clerk, said today that 2900 such notices are being mailed this week. The bottom portion of the notice has a space provided for the voter to apply for reinstatement.

This must be done within 30 days after suspension notice is received, she said, adding that it is another provision in the statute which permits county clerks to keep the registration records as up to date as possible. Miss Hotz also asked the co-operation of registered voters who have moved and have failed to notify her of their new address as now voters' certificates of registration will be automatically mailed to all registered voters after July 31.

Seaman Ralph Jacobs in Philippine Exercise

Seaman Apprentice Ralph C. Jacobs, son of Mr. and Mrs. Ralph E. Jacobs, 2522 Sheridan Avenue, is participating in a month-long combined sea-assault and airborne combat training exercise, "Lutas," in the Philippines. Jacobs serves aboard the Navy seaplane tender, USS Currituck.

The operation, conducted by nations in the South-East Asia Treaty Organization, is designed to train allied forces in planning and executing counter-offensive assault tactics, to be used should a successful invasion be made against South-East Asia.
